*Welcome,
we're very glad you've come.*

There is a word called "Welcome,"
It is as old as the Heaven's blue
It is one of the sweetest words ever spoken
And its joys are ever new.
It is the magic soul of music
And the living fire of the Arts,
And these words of royal welcome
Come right from the depth of our hearts.

In the Beginning... taken from our 25th program

It is much more interesting to make history than to review it, and each of us whose Eastern Star activities date from the beginning of Palestine Chapter, and before, on this our Silver Anniversary will recall vivid, precious memories, hours of joy and even of sorrow marking the mile-posts which the historian would pass as but incidents of the everyday life, without particular significance or effect on Chapter or individual character and growth, but we know that "Life is made up of little things. It is but once in an age that occasion is offered for doing a great deed, and true greatness consists in being great in little things."

In our early records I read that "by invitation a meeting was held at the home of Mrs. George P. Lowell, 525 Walnut Street, Newtonville, November 21, 1907, for the purpose of considering the organization of a Chapter of the Eastern Star. About twenty-five gentlemen and ladies responded. Mrs. Lowell and Mrs. Laura Wingate, a Past Matron of Boston Chapter, explained the procedure of organization. The proposition to form a Chapter was most enthusiastically received." And memory reminds me that the brothers were much more enthusiastic and optimistic at that time than were the sisters. A petition was circulated and December 2, 1907, a meeting of the petitioners was held at the Masonic Temple, which has been our home ever since, and under the instruction of Brother Harry Mason White, Grand Patron, a name was chosen, officers selected and arrangements made for the Institution of Palestine Chapter on December 14, 1907, when, despite the severest snowstorm of the winter a large and distinguished party of Grande and Past Grande, members and would-be members met for dinner in Temple Hall — and in those early days of motor transportation it was considerably more of a problem than now to cover the distance between the several villages of Newton and from Boston to the country, especially through winter storms.

Sister Emily F. Wilkins, Grand Matron, and Brother White, Grand Patron, were present. At 8.30 o'clock Brother White called the assembly to order, prayer was offered by the officiating Grand Chaplain, Sister Mary E. Fitch, and Sister Clara Ringer, Grand Marshal, escorted to the Chapter room the officers who were to acquaint the petitioners with the mysteries of the Order:

Worthy Matron Annie E. Blodgett, P.G.M.
Worthy Patron George F. Bradstreet, P.P.
Associate Matron Esther A. Parker, P.G.M.
Secretary Isadore Forbes, G.Sec., P.G.M.

Sister Forbes, Grand Secretary, took our money and saw that we signed the official document — forty-nine in number, only four of whom had been members of the Order previously. The petitioners were, obligated by Brother William Sears, Associate Grand Patron, and with Mrs. Ettie L. Lowell and Mr. George Whitmore, who were to be Worthy Matron and Worthy Patron, as candidates witnessed the exemplification of the Degrees. On this occasion Brothers Charles D. Burrage and Edward P. Hatch presented the Chapter with the Bible which still holds its honored place on our Altar. The first Initiation was held on February 4th, 1908, when seven members were added. The 17th of February ushered in the week of the Bazaar of Nations, held in behalf of the O. E. S. Home Fund, and many of us followed the leader to Horticultural Hall in Boston, thus early receiving our inoculation with the serum of Eastern Star benevolences, and in 1925 a large number of our members participated in the Dedication of the beautiful Eastern Star Home at Orange, while at the last session of the Grand Chapter the Chinese Bible was placed in the hands of Sister Jane A. Warburton, Worthy Matron, by Sister Elsie M. Barker, Worthy Grand Matron, having been given into the custody of Palestine Chapter for the current year in token of our having contributed the largest amount per capita to the Isadore Forbes Benevolent Fund during the past year.

On March 25th, 1908, we attended our first party through the kind invitation of our neighbor, Belmont Chapter. Thirty-seven of the members journeyed thither and were entertained right royally.

CONSTITUTION

On June 17th, 1908, the Chapter was constituted. Because of the very serious illness of Sister Miriam Watts, Grand Matron, Sister Emma I. Baker, Associate Grand Matron, served in the East with Brother William Sears, Grand

Patron. With the Grand Officers, our officers assembled in the afternoon of a beautiful summer day for rehearsal. Dinner was served to members and guests at seven o'clock, and the beauty and impressiveness of the ceremonies, which followed, still linger with those of us who remain.

Turning again to the records, which we suspect were influenced by a brother member, we learn that "among the four hundred people who filled the hall we noticed Past Thrice Illustrious Master Dodge of Boston Council Royal and Select Masters (presumably Brother Herbert M., Past Patron of Keystone Chapter) and one 33d Degree Mason, William H. Puffer of Milton, and Mrs. Puffer." Representatives of twenty-four chapters were present and the Visitors' Register contains the names of many who were then and still are giving their best thought and effort for the good of the Order. Again quoting from the records and again noting the order of precedence, "Past Grand Patrons Henry Mason White, Charles H. Harrison, Granville C. Fiske and Frank A. Noyes and Past Grand Matron Emily F. Wilkins were escorted to the East."

In a resume of the remarks of the distinguished guests, I found that P. G. P. Harrison felt sure when he saw the names on the Charter on such a stormy night six months before that "Palestine Chapter would be the banner chapter of Massachusetts." P. G. P. Fiske told us he had watched the Order since 1882, when he "fell in love with it", the more he knew of it, the more he felt it filled a long-felt want in the community, and predicted success for the Order in Newton. Sister Isadore Forbes, Grand Secretary and Past Grand Matron, referring to the weather conditions of Institution night assured us that "if things go hard at first they will come out all right" and impressed upon us the importance of "living the precepts inculcated by the lessons of the Order outside as well as inside the Chapter."

At this time the Chapter enjoyed the distinction of being the only Chapter in the jurisdiction to feature Robes. We wore them atop our voluminous dresses of the period, — and never had a chill, and the delight of winding the Labyrinth with seven to ten candidates and a yard or two of train is, I am sure, quite beyond the conception of present-day Conductresses. However, they were very lovely and lent dignity and grace to the ceremonies, attracting visitors from far and near.

With less than one hundred members in the first three years, the lowest members' attendance recorded was 47. With a rental expense of \$500 a year and dues at \$5.00 each, balancing the budget was even then a momentous question. At the annual meeting in 1908 it was voted that no appropriations be made for refreshments, but the membership be divided into committees of, not more than seven persons to provide refreshments at their own expense for the social hours following Chapter meetings. In 1911, an appropriation of \$25. to defray

the expenses of Installation was voted. We do not quote these items to win sympathy or praise, but merely to show the spirit and interest which actuated those who had assumed the obligations with the privileges conferred upon them.

The Chapter has met the various responsibilities, fraternal, civic and philanthropic, which have come to us all with the years. In the World War our service flag held seven stars, our Worthy Patron of 1917 having responded to the first call for volunteers, while those at home enrolled in the work of Red Cross supplies, Liberty bonds, canteen service and all the activities of that hectic period. Shortly after the close of the War we cooperated with the Masonic bodies in their efforts which resulted in clearing the mortgage indebtedness on this, our beautiful Home.

Since December 14, 1907, 809 persons have been received into membership. Today we number 377, nine of whom were Charter members. Changes in business and social interests account for many losses, while 77 have passed beyond our gaze, end.

*“More homelike seems the vast unknown,
Since they have entered there;
To follow them were not so hard,
Wherever they may fare.
They cannot be where God is not,
On any sea or shore;
Whate'er betides, Thy love abides,
Oh, God, forevermore.”*

Over this period of twenty-five years we have been honored fairly frequently by Grand Chapter appointments, crowned by the election in 1931 of Sister Margaret L. Sandholzer Worthy Grand Matron from Palestine Chapter. Many of our Brothers have held high offices in the Masonic bodies, our late Brother Asa C. Jewett holding at the time of his death the office of Grand Commander of Massachusetts and Rhode Island. Others have achieved political distinction, two having served our City as Mayor, our genial County Treasurer Past Patron Charles E. Hatfield and Brother Edwin O. Childs, while our Toastmaster of the evening Brother Thomas W. White has been ever in the public eye and we are never surprised when he smiles at us from the pages of the press.

Our Honorary Membership roll is not long, but we list the names with pride and cherish their friendship and service to the Chapter and to the Order.

So many interesting and important events are chronicled in the records one cannot list them all and it is difficult to condense them to fit the few minutes allotted to us tonight. Each year those into whose hands we have entrusted the government of our Chapter have brought to the solution of their problems the same zeal and determination, to carry on in the spirit of the times that prompted our founders, and so we reach our Twenty-fifth Anniversary with courage undaunted and eyes to the front. And your historian taking a long look backward would leave with you these lines of Patrick Henry – “I have but one lamp by which my feet are guided, and that is the lamp of experience. I know no Way of judging of the future but by the past.”

A petition was circulated and December 2, 1907, a meeting of the petitioners was held at the Masonic Temple, which has been our home ever since.

In the Middle... taken from our 75th program

On June 3, 1958 we celebrated our 50th Anniversary with a gala celebration held at the Masonic Temple with hundreds of members and guests in attendance. Throughout the previous 25 years of the Great Depression and World War II, Palestine Chapter remained steadfast to the principles of caring for its members and supporting our country in every possible way, and emerged strong and vital from this trying period.

We are honored to count among our membership of 412 today, twenty-one members who have attained fifty or more years of membership in the Eastern Star. With over sixty-one years of membership in Palestine Chapter, Sister Eleanor R. Bergman, P.M., is our senior member.

The name of our very first Conductress — Sister Myrta Kimball, P.M. — is engraved on the founders' plaque at the Eastern Star Home in Orange. Sister Kimball served the Grand Chapter as official stenographer for 50 years and was our chapter secretary for 21 consecutive years (1923-1944). She was a resident of the Eastern Star Home in Orange when she passed away on November 15, 1957, one month short of 50 years' membership in Palestine Chapter. She was a former member of Highland Chapter where she was initiated April 3, 1895.

The 50th Anniversary program was lovingly dedicated to Sister Mildred E. Strange, P.M., who was initiated December 7, 1917. Sister Strange was secretary of our chapter for 31 consecutive years (1944-1975) and was Secretary Emeritus until her death on January 10, 1982.

Many of our brothers have attained leadership positions and honors in the various Masonic bodies in the state, as well as local levels. Three of our brothers have achieved civic honors in that Brother Charles E. Hatfield, P.P., Brother Edwin O. Childs, Jr., and Brother Monte G. Basbas all served as Mayor of the City of Newton.

The styles changed from the bouffant gowns of the 50's and 60's to the slimmer sheaths and simpler styles of recent years. Now we are seeing a return to fuller skirts and a more feminine look. But though fashions may change and times may change —the work of our beautiful order is unchanging. It is the constant thread of our ritual, which provides the all-important continuity, which is the basis of our strength.

In 1915 our Worthy Matron was Sister Margaret Sandholzer. In 1958, our Golden Anniversary year, she gave a perfect rendition of the ritual as Worthy Matron at a Past Matrons and Past Patrons Night in our chapter. When she passed away on December 23, 1968, Sister Sandholzer had been a resident of the Eastern Star Home in Orange for several years.

Because of the generosity of the late Sister Marie P. Davis, Palestine Chapter members and their families have been the recipients of 46 scholarships totaling over \$12,000 from the interest on the "Arthur L. Davis Charitable and Educational Fund" which was established in 1961.

Although we can never cancel our meeting, the Governor of Massachusetts can, and did, with his Blizzard of '78 Proclamation on February 6, 1978. All non-emergency automobile travel was banned and it took days for the entire region to dig out of two feet of snow.

Our benevolences over the years have included the Isadore Forbes Fund, the Eastern Star Home in Orange, the Educational Fund, Estarl and other Grand Chapter projects. Sponsoring the Newton Assembly, Order of Rainbow for Girls, has helped our chapter give of its time and support to the encouragement of the youth of our community.

On September 29, 1980 we welcomed into our membership by consolidation the members of Bay State Chapter No. 160 of Brighton.

The silver bowl representing the Sister Sallie Eldert New Members Award was presented to the chapter in May 1982. The name of the member recommending the greatest number of new initiates in Palestine Chapter each year will be engraved on it.

On June 17, 1983 we celebrated our 75th anniversary and reception for Sister Eunice K. Gonyer, the newly elected Associate Grand Conductress. Seventy-three members and two hundred and forty-six guests enjoyed a wonderful evening, with dinner and dancing, held at the Veterans of Foreign Wars Hall in Waltham. Our 75th Anniversary program was dedicated to Sister Mildred E. Strange, P.M., Secretary Emeritus and in memory of our departed sisters and brothers.

Continuing into the Future...

The leadership of Palestine Chapter has been recognized in this jurisdiction by the election of five of our Past Matrons to the office of Worthy Grand Matron: Sister Margaret L. Sandholzer in 1931; Sister M. Elizabeth Davis in 1967; Sister Beverly C. Arslanian in 1979; Sister Eunice K. Gonyer Pollard in 1986; and Sister Patricia S. Ingalls in 1993. At our Grand Chapter Session in May, 2006 Joan M. Atkinson was elected to the Office of Associate Grand Conductress. Many honors have been conferred upon our Past Matrons over the years.

Palestine Chapter has hosted many very special nights over the years:

- receptions to all our members who were honored with appointments from Grand Chapter
- Matrons and Patrons Nights, First and Last Visitations
- Grand Officers' Nights
- a Connecticut-Massachusetts Exchange Night
- Association luncheons
- a Grand Officers' Formation meeting
- a Silver Tea in honor of the Past Grand Matrons and Patrons and
- in August of 1993 we hosted a special Grand Chapter Session.

Honorary Membership and Secretary Emeritus was conferred upon Sister Margaret Boates, PM; Sister Flora Ellington was presented the Ruth Award for hours of service given to the Chapter and the Angel of Kindness award was given to Sisters Barbara Cockroft, PM, Margaret Boates, PM, Karen Butland, PM and Dorothy Beason, PM.

Many projects and events were held over the years and some well into the 90s: ■ Minstrel Shows were held at the Newton YMCA and other venues, before they were banned ■ group attendance at the Turtle Lane Playhouse ■ catered dinners ■ running a snack bar at Baseball Card shows ■ greeting card sales ■ huge fairs were held with varying themes and a great country store ■ after meetings we often presented humorous skits and talent shows. The Palestine Players became well known throughout the State with their presentation of "When Masons Meet".

On December 3, 1996 we welcomed into our membership by consolidation the members of Electa Chapter No. 19 of Waltham and in so doing the members of Belmont Chapter No. 108. This was followed by a very lovely and welcoming ceremony into their new home.

In September 1997 we were pleased to welcome Brother William E. Owen, Worthy Grand Patron of Oklahoma and his lovely wife Sister Evelyn Owen, Grand Representative of New Hampshire in Oklahoma. Here it is 2008 and Brother Bill is now our Most Worthy Grand Patron.

In April 1998 the 100th Anniversary of our Masonic Building was celebrated. In November, by dispensation, a Saturday afternoon meeting was held with the hope that members who couldn't travel at night might attend. However, Mother Nature foiled us with a snow storm and attendance was not what was hoped for. June was the first time we met in the Prelate's Room in order to set up the main lodge room for a combined reception. The small room was overflowing on the sidelines and it was certainly a fun and cozy meeting. September brought another new first, a "cooked-in" cookout which was enjoyed by all.

In 1999, Sister Miriam Morrow, was presented her 50-year pin by Sister Alberta Koldenborg, PM. Sister Alberta was the Worthy Matron who initiated Sister Miriam 50 years earlier. This was a most unusual and exciting event and, to the best of our knowledge, the first time to occur in our Chapter. In May, prior to our meeting, Lexington Assembly No. 37, IORG and Battlegreen Chapter Order of the DeMolay presented a special program entitled: $7+7=10$. Each youth group honors 7 virtues, yet because 4 of them are shared and each has 3 different ones, they add up to 10 actual virtues. In October "Let's Make a Difference Day" was held in which food and clothes were collected and divided between Second Step for Newton Battered Women and Bristol Lodge in Waltham.

In June 2000, our By-laws were revised, approved, printed and mailed to each member.

In February 2001, the degree work was exemplified by the Worthy Matron's Constellation Associates. In November we once again tried to hold a Saturday meeting with a Mystery Ride for luncheon. However, once again we didn't get the attendance that we hoped for. Palestine Chapter presented a Signet to Grace Chapter No. 8 in Lunenburg, Nova Scotia and it was a pleasure to have Sister Shirley Haugen, GGCCM on Crafts and Treasures, attend our meeting when she came to pick up the Signet.

The following members were presented their 75-year pins during the past 25 years: Sister Frances Hastings Gardner, PM by Sister Diana and Brother Jim Spurrell at her home in Maine; Sister Marjorie Blanchard, PM, age 100, by Brother Paul Francis Hunt, WGP, at our Chapter meeting; Brother Herbert Stevens, PP at the nursing home where he resided by Sister M. Elizabeth Davis, PGM with the Worthy Grand Matron, Sister B. Judith Fenner; and Sister Emily McConnell, PM, at the nursing home, on her 98th birthday, by Sisters Carol Dye, PM and Patricia S. Ingalls, PGM.

In May 2006, Sister Joan M. Atkinson was elected Associate Grand Conductress of the Grand Chapter of Massachusetts. We look forward, with much anticipation and pride, as Sister Joan makes her journey to the Grand East.

A vision statement was developed and adopted by our chapter: *Palestine Chapter is committed to making ourselves known as a charitable organization and visible within the surrounding communities; increasing fellowship through participation in social activities for our members and by sharing a fraternal bond to unite in making a positive impact on our lives and in the communities.*

As part of our community outreach, Sister Alice Nakash, AM, has had projects for the local food pantry, to support the Lexington Rainbow Assembly and a local school with education coupons. The Chapter, under the direction of Brother James Spurrell, PP, Masonic Youth Child Identification Director, co-sponsors the MYCHIP program at the Waltham Safety Day Event each year. Most recently we are working, under the direction of Brother Harvey Simons, with the 5th and 6th Masonic Districts in their MLI project to help our veterans. On a yearly basis, we contribute to our Grand Chapter Benevolences and give Chapter Scholarships to help further the education of our members, their children and grandchildren.

Our losses have been great in recent years and we reverently pay tribute to all our departed members and remember with love and appreciation the services rendered by them to our Chapter.

*Death is simply a shedding of the physical body,
Like the butterfly coming out of a cocoon...
It's like putting away your winter coat
When spring comes.*

“Each year those into whose hands we have entrusted the government of our Chapter have brought to the solution of their problems the same zeal and determination to carry on in the spirit of the times that prompted our founders...” Thus wrote Sister Myrta Kimball, PM in our Silver Anniversary history, but the statement is just as true today.

*Coming together is a beginning
Keeping together is progress
Working together is success
So may it ever be.*

A FUN MOMENT:
We held pie sales,
when once a committee made
100 apples pies.

Sister N. Avis Eldert, PM,

Sister Katherine Karagianis

wrote in response to my memory request:

I became a member of OES together with my mother, Elizabeth Taschioglou, and my Aunt Christine Karagianis in 1945 at the Winthrop Chapter, now defunct. It was such a proud time for the three of us to attend meetings together. I did sit in the chair of Martha but since I was raising a family I became inactive. Mother moved to Miami, Florida and was a most faithful member of OES until her demise.

The men in our lives, father, brother, husband, uncles were Masons and active in Aleppo Temple.

On your 100th anniversary I would like to wish you all good health and happiness and thank you for all the good that you do!!

Let Us Look to the Future...

“It’s not what’s happening to us now or
what has happened in our past
that determines who we become.
Rather, it’s our decisions about what to focus on,
what things mean to us, and
what we’re going to do about them
that will determine our ultimate destiny.”

edited from a quote by Anthony Robbins

The welcome ever smiles,
and the farewell goes out sighing.
